Compassion

MISSIONS IN MEXICO

In a wave of compassion, a dedicated mission team, organized by Sister Cynthia of SHINE and partnering with GC Missions, brought tangible help and the hope of the gospel to dozens of families in Mexico recently. What began as a vision in prayer became an outpouring of medical care, food, clothing, and spiritual encouragement — an expression of Christ’s love in action.

THE NUMBERS

Over 150 families received medical attention, clothing, haircuts, and counseling. Another 120 families went home with bags of groceries, ensuring meals for the days ahead. Joy filled the hearts of 84 children. Each received a toy, while 112 people gathered for an afternoon service to worship God together and hear His Word proclaimed.

“God is good,” Sister Cynthia shared, reflecting on the outcome of the mission. “This was possible only through the support of GC Missions and the dedication of a faithful team.”

GC MISSIONS . . . AND MORE

Teamwork

BEHIND THE MISSION

Joining Sister Cynthia were her husband, Jesús Sánchez, Brother Alejandro Ferrer, and Sister Yuliana García and her husband, José Talancon. They were further supported by Pastor Rubén Frausto, Pastor Asunción Ruiz, and board member Andrés Acareto. Together, this team embodied the spirit of service and teamwork that lies at the heart of GC Missions. Their willingness to step out in faith, serve selflessly, and meet both physical and spiritual needs left a lasting impact on the community.

COMING UP: MIT

Even as we celebrate this recent effort in Mexico, GC Missions is preparing for the next phase of outreach. The Missionary Immersion Training (MIT) mission is taking shape and is scheduled for December 2025. This initiative will mobilize and mentor a new generation of workers, equipping them with hands-on experience in mission fields and ensuring the future of global evangelistic work.

good news*

HEARTBEAT OF MISSIONS

What happened in Mexico is more than an isolated event. It is a glimpse of what GC Missions is striving to cultivate worldwide: churches and individuals united in purpose, ignited by vision, and committed to bringing Christ's light into dark and hurting places. From local efforts like SHINE's outreach, to larger international projects like MIT, the heartbeat of GC Missions remains clear: to spread the good news of Jesus Christ with urgency, compassion, and excellence.

EXTENDING GOD'S LIGHT

The work of GC Missions is possible only through the prayers, participation, and support of God's people. When you pray for our teams, volunteer your time, or join a mission effort, you are helping to carry the light of Christ into places where it is deeply needed.

In addition, your generous financial contributions enable us to reach further and deliver God's Word to others. Every gift, large or small, makes a tangible difference in the lives of families and communities we serve. Together, we can continue to expand the impact of missions (outreach in Mexico) and prepare for future initiatives (MIT mission in December 2025).
